

## Invitation to submit an offer: Operational evaluation of the EU Strategy for the Danube Region

The Danube Strategy Point invites interested parties to submit proposals for conducting an operational evaluation of the EU Strategy for the Danube Region.

In order to respond to this call for an expression of interest, interested experts must demonstrate their experience, capacity and suggested approach to carrying out the operational evaluation in view of the specification presented in the terms of reference.

Interested experts are advised to read the document in detail before drafting and submitting their offer. The offers, including all relevant documents, must be submitted in English, no later than **4 March at 1 pm (CET)**.
